by the late Chief Magistrate: "The Union of the States, it must be preserved." I hold that the Union of the States I may almost say, against Internal Imed." I hold that the Union of the States is not only a means of securing the liberty of all, but that it is a means indispensable to that end, and without it the liberty of none would be secure.

But this evidently is not the sense in which those who make it, wish the

Postage on letters must be paid, or they will those who make this charge, vauntingly appearance.) I am ready to do lealty to ert this power whenever a case occurs, and during the same session the differ-

in the discharge of my duties to the country, it possesses a value which I are expending too much money.

The bill was not to operate on any officers, and officer elected by the people, or their repairs and it is insisted, they not only have the long it is insisted.

The bill was not to operate on any officers, and officer elected by the people, or their repairs and it is insisted, they not only have the long it is long to the long it is long to the long the area of the long the long the area of the long the

that we've months, by individuals courting the public favor, that it might well be expected of me to say something calculated to place my own conduct in its feel confident that I could state several matters which might be of use were the might be of use were the matters which might be of use were the matters which might be of use were the matters which might be of use were the might be of use were the matters which might be of use were the matters which might be of use were the matters which might be of use were the matters with the freedom to of speech.

This, I think a very erroneous view of the characters in the posts and world according to his own plug speech.

This, I think a very erroneous view of the characters in the posts and world according to his own plug speech.

The states in substance, that the same matters who the states in substance, that the same matters who the states in substance, the the same matters are the posts and world according to vote as the President wishes, but he must electioneer, and be becasion a suitable one.—[Cries 'go on!' 'proceed.] \(\frac{qc.}{qc.} \)

These were the avowed, and so far as 'proceed. \(\frac{qc.}{qc.} \)

These were the avowed, and so far as 'proceed. \(\frac{qc.}{qc.} \)

I have, the universal sentiments of the arty in my own State, when I entered your service as Senator in 1825. I was tharge my enemies intend to communicate the idea that \(\frac{qc.}{qc.} \)

These were the avowed, and so far as I know, the universal sentiments of the arc created by the Constitution, have their qualifications and the tenure of their offices specified in that instrument; and of the States, and to that Constitution which binds them together. I would cheerfully admit its truth. I am a friend to the Union, and most heartily concur in the sentiment once expressed by the late Chief Magistrate both when the Chief Magistrate: 'The voting for it.'

These were the avowed, and so far as I know, the universal sentiments of the executive. I wish fount that hands of the executive. I wish the selves are again divided, into those who are created by the Constitution, have their qualifications and the tenure of their offices specified in that instrument; and of the Cammittee of Triance, of which advocate for abolishing that species of slavery among the whites which now exponent in the sentiment once expressed by the late Chief Magistrate both while the Chief Magistrate both while the Chief Magistrate or included originated in the bands of the executive. I wish the decher these or non; as they their officers themesters again divided, into those who are created by the Constitution, have their qualifications and the tenure of their officers specified in that instrument; and other their officers of my friends and made free.
